VALUATION AND FUND RAISING FOR TECH-STARTUPS

THE
VCCIRCLE
NETWORK
A *News Corp* Company

PROGRAMME OVERVIEW

Success stories of technology startups such as Google, Alibaba, Flipkart and Amazon have not left Southeast Asia untouched. After the booming Indian startup scene, a number of ASEAN countries are now gearing up to attract entrepreneurs and stimulate the creation and growth of startups. China and India, in fact, are leading the trend not only in Asia but globally.

Of late, the exponential growth in market value of technology startups worldwide has generated great curiosity in investors and investees. In this workshop conducted by VCCircle Training in Singapore for participants, experts will train participants in new valuation methods and approaches along with governance and regulatory requirements for technology startups.
